

I AM POSSIBLE

JAGANNATH SAHOO

He was always saying I am possible by changing the word Impossible. He belongs to a BPL family. His village is 35 kms far away from the Govt ITI college, Jajpur. Most of the family in his village are belonging to below poverty line.. Even some people are not getting 3 time's food in their village. He is belonging to that type of family. Still then he was the only student who admitted to ITI because he was strict with his aim and he is always saying that though I am from a poor finance background, the day will come I must prove myself. The confidence level was fully convinced from his determination and Hard Work. He was doing ITI in electrician trade during 2016-2018. Right now he has been working at BNATCL, KUSUMA WATER PARK, JAJPUR. (BANGALORE –HEAD OFFICE and getting 8000/- per month. Right now he is a Role Model for every youth of his village.

Deepak BHOI – Moving towards possibilities from impossibilities

Deepak belongs to karajang, jajpur, 15kms from GovtITI,Jajpur. He is the youngest of his 5 membered family. His family completely dependent on his father's only income through cultivation. So the struggle that his family had to face for a long time has created a greatest impact on Deepak's life. After his +2 Deepak came to know about ITI and its scope in today's world from his elder brother. So enrolled himself in the batch of 2017-2019, in Fitter Trade, wherein he was supervised and mentored by our efficient faculties from both trade and ES, which helped him in getting a job for which he is now standing as a strong pillar for his family From a small village he has reached so far to Gujurat a long way journey with a wish to touch the sky. It was nearly impossible for a boy from such an interior location to join a huge company Maruti Suzuki Ltd. So he could able to convert impossibilities into possibilities.right now he has been working at Maruti Zuzuki, Gujurat. and getting 18,800/- per month.we really proud for him.
